

# VascuCLEANSE

All Natural Approach Improving Cardiovascular Function

**VascuCLEANSE** is the result of years of research bringing the right combination of ingredients together in order to completely address the needs of the Cardiovascular System. The 1998 Nobel Prize for Medicine was given to Dr. Louis Ignarro and his partners for their research on the Nitric Oxide Pathway. Nitric Oxide is created naturally by your body when given the amino acid L-Arginine. This research created a frenzy of interest both in the pharmaceutical and nutraceutical fields! Now, there are over **100,000 published medical studies** attesting to the fact that the amino acid L-Arginine will help the human body regulate every aspect of cardiovascular function. This research has led to several very effective pharmaceutical medications. **The key to the formula is 5 Grams of arginine.** According to Dr. Ignarro's research, the human body needs this level of arginine, in combination with the other ingredients found in **VascuCLEANSE**, to take **Nitric Oxide** levels to the point where it can **Reverse the Age of the Cardiovascular System!**

Now enhanced with 

## The Ultimate Health Promoting Catalyst from Nature

### Product Description

Astragin is a proprietary all natural plant based formulation derived from highly purified Panax Notoginseng and Astragalus Membranaceus. In addition, Astragin is the first and only natural food ingredient that has been shown in cell, animal, and human studies to significantly improve the absorption of many essential life supporting and health promoting nutrients. Astragin increases chemicals in the human body called "transporter" and "mRNA". These chemicals determine how much or less specific nutrients are absorbed into the intestinal cells and thus are available to support our health and provide essential benefits. These benefits include improvement in overall health, fitness, energy, endurance, sense of well being, blood sugar balance and lean body mass.

### Advantages of AstraGin

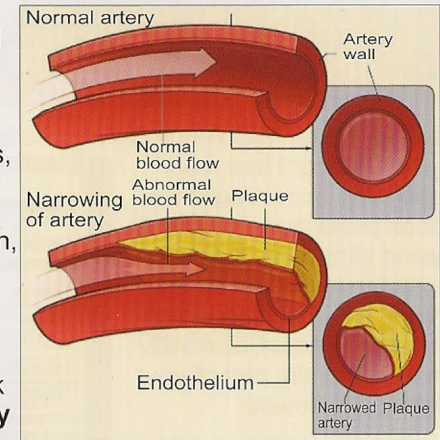

- Increase amino acid absorption by 62%\*
- Increase vitamin absorption by 50%
- Increase glucose absorption by 57%
- Increase ATP production by 18%
- Decrease blood sugar level by 19%
- Increase insulin sensitivity by 38%
- Increase glycogen in muscle (24 hours after strenuous exercise) by 60%

*"I have had high blood pressure most of my adult life, typically averaging 185 over 145. At age 52, everyone told me to get on med's though I refused. Now, after using VascuCLEANSE for 3 months, twice to three times daily, my blood pressure is averaging 120 over 70. I truly believe this product is a life saver." S. Price., FL*

"In the field of medicine and health L-Arginine is one of the most incredible revolutions of our time. The discovery that the amino acid "arginine" may be the "magic bullet" for the cardiovascular system." Dr. Ignarro (Nobel Laureate)

**Nitric Oxide** has shown promise in the prevention of **arteriosclerosis** (blockage of the arteries), as well as **arteriosclerosis** (hardening and thickening of the arteries). The L-arginine used in **VascuCLEANSE** is pure 100% free form arginine and is the precursor for **Endothelium-Derived Nitric Oxide (EDNO)**. Dr. Ignarro and his partners were awarded the Nobel Prize for discovering **nitric oxide's role as a vasodilator**.

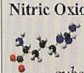

In a healthy endothelium (inner wall of a blood vessel), nitric oxide (NO) will keep vessels pliable and elastic. In addition, nitric oxide will dilate (open up) blood vessels thus keeping blood flowing smoothly, relaxing blood vessels, keeping platelets and white blood cells calm. What's more, nitric oxide keeps them from sticking to the vessel wall, preventing oxidation, slowing plaque growth, while suppressing arteriosclerosis and melting away existing plaque.

The answer was in nature all along, it just took science to discover it! Over **100,000 medically published clinical tests** dating back over 30 years have proven that the increased nitric oxide derived from arginine in **VascuCLEANSE** will assist your body to maintain good health.

Here is a list of benefits:

- Supports Lower Blood Pressure - Lancet 1990
- Supports Lower Cholesterol - J Nutr 1996
- Supports Normal Blood Sugar Levels - Diabetes Care 2001
- Improve Sexual Function - BJU Int 1999
- Blood Clots and Strokes - Circulation 2001
- Supports Normal Heart Function - J Am Col Cardio 2000
- Improved Wound Healing - Surgery 1993
- Improved Kidney Function - Kidney Intl 1999
- Improved Memory - J Physiol Pharmacology 1999

**Nitric Oxide**  This tiny molecule produced by the body may do more than any substance to prevent Heart Attack and Stroke. Nitric Oxide, a gas that occurs naturally in the body, is critical for healthy circulation. It helps dilate blood vessels and through clinical studies is shown to inhibit accumulation of arterial plaque.

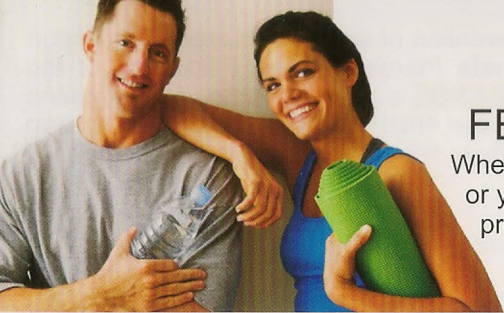

**VascuCLEANSE** combines arginine with **Grape Seed Extract, Resveratrol, CoQ-10, Omega 3 from Perilla Oil**, and many other vitamins and minerals to help support a healthy heart and endothelium. As the **Nitric Oxide** does its work, the powerful antioxidants in this blend, begin to rebuild the aged arteries in your body! With **VascuCLEANSE** you have a unique and powerful combination at an affordable price! **VascuCLEANSE** is available in Grape, Orange and Peach flavor!

In addition, **VascuCLEANSE** has these other important benefits:

- No GMO's
- Soy Free
- Gluten Free
- Sugar Free
- Great Tasting
- Vegan Friendly
- Safe for Diabetics

Drink Arginine at least  
15 minutes before a workout  
**FEEL THE DIFFERENCE!**

Whether you exercise a couple of times a week or you are a Fitness Guru, **VascuCLEANSE** can provide what your body needs for better™ overall performance. Science has shown that Nitric Oxide along with the added benefits of AstraGin gives your body

fuel for better endurance during and faster recovery after your workout! Remember,

given the right fuel, your body can better reach it's peak performance without using stimulants that have a strenuous effect on your heart, adrenal glands and arteries. **VascuCLEANSE** is an essential part of your total body fitness!

SUPPLEMENT FACTS		
Serving Size: 1 Level scoop (25 cc)		
Serving per container: 32	Amount Per Serving	DV%
Calories	4	*
Protein	--	0%

# HEART HEALTH

## Control Your Risk!

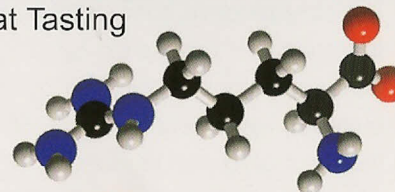

*Learn about the latest discovery in Heart Health!*

**VascuCLEANSE** is an *All Natural Solution* for Cardiovascular Health that addresses all your heart needs at once.

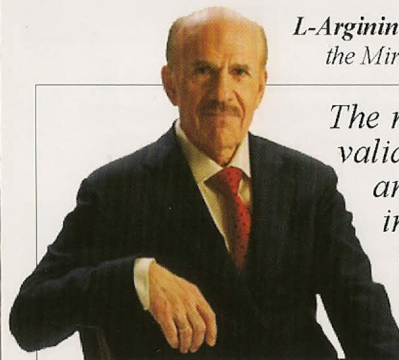

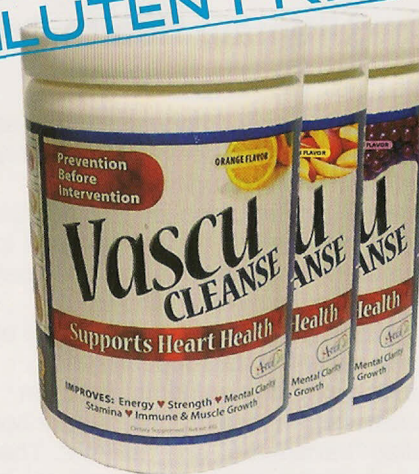

**SUGAR FREE**  
**GLUTEN FREE**

### VascuCLEANSE Benefits:

- Maintain Healthy Cholesterol Levels
- Protects And Strengthens Your Heart
- Supports Healthy Blood Pressure
- Great Tasting

*L-Arginine is referred to as the Miracle Molecule*

**Dr. Louis J. Ignarro**  
Nobel Laureate in Medicine

*The remarkable properties of l-arginine were validated by the 1998 Nobel Prize in Medicine, and since then have created a frenzy of interest in the pharmaceutical and nutraceutical fields. The efficacy of l-arginine as a therapeutic agent has been validated by thousands scientific clinical studies.*
